DECISION AWARDING DAMAGES¹

Dorsey, Chief Special Master:

On November 16, 2015, Sharon Allen (“petitioner”) filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the “Vaccine Act”). Petitioner alleged that as a result of receiving an influenza (“flu”) vaccine on September 30, 2014, she suffered an injury to her left shoulder. The case was assigned to the Special Processing Unit (“SPU”) of the Office of Special Masters.

On March 10, 2016, the undersigned issued a ruling on entitlement finding petitioner entitled to compensation for a shoulder injury related to vaccine administration (“SIRVA”). On May 25, 2016, respondent filed a proffer on award of compensation (“Proffer”) indicating petitioner should be awarded \$85,000.00. Proffer at 1. In the Proffer, respondent represented that petitioner agrees with the proffered award. Based

¹ Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all “§” references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

on the record as a whole, the undersigned finds that petitioner is entitled to an award as stated in the Proffer.

Pursuant to the terms stated in the attached Proffer, **the undersigned awards petitioner a lump sum payment of \$85,000.00 in the form of a check payable to petitioner, Sharon Allen.** This amount represents compensation for all damages that would be available under § 300aa-15(a).

The clerk of the court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.

s/Nora Beth Dorsey
Nora Beth Dorsey
Chief Special Master

³ Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.

No. 15-1378V (ECF)
CHIEF SPECIAL MASTER
NORA BETH DORSEY

RESPONDENT’S PROFFER ON AWARD OF COMPENSATION

On March 10, 2016, the Chief Special Master found that a preponderance of the medical evidence indicates that petitioner suffered a shoulder injury related to vaccine administration (“SIRVA”), which was causally related to the influenza (“flu”) vaccination she received on September 30, 2014. The parties have now addressed the amount of compensation to be awarded in this case.

I. Items of Compensation

Based upon the evidence of record, respondent proffers that petitioner should be awarded a total lump sum of \$85,000.00, which amount represents all elements of compensation to which petitioner would be entitled under 42 U.S.C. § 300aa-15(a).¹ Petitioner agrees.

¹ Should petitioner die prior to entry of judgment, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering, and the parties reserve the right to move the Court for appropriate relief.

II. Form of the Award

The parties recommend that the compensation provided to petitioner should be made through a lump sum payment of \$85,000.00 in the form of a check payable to petitioner.

Petitioner agrees.

Respectfully submitted,
